### **HOW TO SUPPLY YOUR ARTWORK**

1. Copy must either be type written, supplied via EMAIL, Memory Stick, USB, CD or DVD in a readable format.
2. The editor reserves the right to correct grammar and spelling.

**Any advertisement that requires more than 2 proofs will incur additional artwork charges.**

#### **PHOTOGRAPHS:**

The Year Book and Sponsorship advertisements will be printed in full colour.  
A maximum of three (3) photos per page

Photos printed from a home printer will not be accepted. The best reproduction is from high resolution digital images supplied on disk or emailed. (Minimum 300 dots per inch (300dpi)). Images must be JPEG, TIFF or PDF.

Although every care will be taken, the GRCV cannot guarantee the safe return of any originals sent and suggest you send copies, if valuable, NOT originals. Photographs can be returned if you supply a suitable, self-addressed stamped envelope.

#### **SUBMITTING YOUR OWN ARTWORK:**

- Final artwork should be supplied as a High Quality Print resolution PDF with no bleed or crop marks.
- All images and art should be CMYK colour mode and supplied at 300dpi at 100% final print size. The images should be clear and sharp. Acceptable formats for high res images are: jpeg, tiff or psd (Adobe CS5). Scanning of photographs can be arranged. (Photographs can be returned if you supply a suitable self-addressed stamped envelope.)
- All finished artwork should have fonts outlined/curved, otherwise a copy of the fonts should be sent with the artwork to avoid printing issues.
- All logos should be supplied as vector .ai or .eps files for Illustrator CS5.
- Jpegs or tiffs (300dpi) can also be accepted as final artwork.
- **We cannot be responsible for any errors in artwork that have been sent in electronically.**
